At wowOwow.com, we believe women can change the world, which inspired us to launch [Think Up!](#), a community for women to come together and inspire innovation and growth.

L'Oréal Paris's program, called Women of Worth, also subscribes to the idea that women can make a big difference — and they have launched a website, [womenofworth.com](#), where you can nominate a woman who you feel is truly a worthy woman.

In addition to nominating women enriching their communities, L'Oréal offers [helpful tips](#) on how to get involved in local and national volunteer organizations.

This year, ten Women of Worth honorees will receive \$5,000 for their charitable causes and a matching donation will be made on their behalf to the Ovarian Cancer Research Fund. Nominations are open through July 13.
